

BRAD SEBASTIAN

Digital Marketing & Sales Leader — Demand Generation · Marketing Technology & CRM · Revenue Analytics & ROI
713-256-1683 | bradsebastian98@gmail.com | The Woodlands, TX | linkedin.com/in/brad-sebastian

EXECUTIVE SUMMARY

Digital marketing and sales leader who builds data-driven digital sales engines from the ground up. At NorthSky, architected the entire go-to-market function — a HubSpot CRM and marketing-automation stack built from scratch, multi-channel email and lifecycle campaigns, demand generation and lead sourcing, website and paid media, and the analytics that prove ROI — growing a B2B industrial business from launch to roughly \$3–4M in monthly revenue in under 18 months. 15+ years marketing technical and engineered B2B products across industrial, energy, and technology, including \$6.8MM in new revenue and \$31MM in qualified pipeline. Deep command of CRM and martech (HubSpot, Salesforce, Pardot), email and demand generation, SEO/SEM and conversion, and executive-level analytics and ROI reporting.

CORE COMPETENCIES

Digital Sales Strategy · Demand Generation · Email Campaign Management · Lead Generation & Customer Sourcing · Website Strategy, SEO/SEM & Conversion Optimization · Marketing Analytics, Attribution & ROI Reporting · Marketing Technology & CRM (HubSpot · Salesforce) · Paid Media & Budget ROI · B2B, Industrial & Energy Marketing · Team Leadership & Enablement

PROFESSIONAL EXPERIENCE

NorthSky Supply — The Woodlands, TX

Marketing and Business Development Manager | Jan 2025 – Present

B2B MRO industrial-supply e-commerce startup

- Lead the marketing, CRM, and revenue-operations function — built from the ground up — and manage a cross-functional team of up to a dozen across marketing and sales; scaled the business from launch to roughly \$3–4M in monthly revenue in under 18 months.
- Architect and manage the entire marketing-technology stack — HubSpot CRM implemented from scratch and integrated with Shopify, all e-commerce platforms, marketing automation (OmniSend), paid media, and analytics into a single revenue engine with organization-wide KPIs.
- Maintain the full product catalog in HubSpot, enabling real-time inventory visibility and product-level sales analysis.
- Build the demand-generation and sales-enablement automations the team runs on, and train every sales and customer-service team member on the CRM.
- Own paid-media strategy and budget across Google Ads, Meta, and Amazon, optimizing CPC, CAC, and ROAS for profitable customer acquisition.
- Run multichannel email and lifecycle campaigns and manage the marketplace and social-selling channels (Shopify, Amazon, Whatnot live selling).
- Integrate Google Ads, Meta, and all social accounts into HubSpot for company-wide performance dashboards; partner directly with executive leadership.

Raise3D Technologies — Houston, TX

Digital Marketing Manager | 2023 – 2024

Additive-manufacturing / 3D-printing technology

- Built the demand-generation engine — a custom Salesforce / HubSpot / ZoomInfo / Drift architecture — increasing qualified pipeline delivered to sales by 40% and accelerating conversion-to-close by over 50%.
- Grew online conversions 30% through integrated campaigns; drove monthly thought-leadership content and North American trade-show strategy.
- Appointed to the executive management committee and served as go-to-market / business-development trainer across the organization.

Tangible Communications — Houston, TX

Marketing Consultant | 2020 – 2023

B2B marketing & demand-generation consulting

- Advised B2B clients across oil & gas, engineering, and finance on demand generation, marketing technology, and go-to-market strategy — building the automation, campaigns, and reporting to drive measurable pipeline growth.

Integrated Global Services — Houston, TX

Marketing Manager | 2016 – 2020

Global oil & gas services company

- Generated \$6.8MM in new revenue and \$31MM in qualified pipeline; managed a \$1MM budget and lifted marketing ROI over 110% while enabling a 12-person global sales team.
- Built Pardot marketing-automation programs that increased qualified leads delivered to sales by 50%.

Earlier Experience: Agency-side and client-side marketing and account leadership across B2B — building deep vendor- and agency-management expertise.

EDUCATION

Master of Arts, Communication (Mass Communication) — University of Houston

Bachelor of Business Administration, Marketing — Texas A&M University
